MINES SAFETY ASSOCIATION KARNATAKA

Mines Safety Association Karnataka was formed under the aegis of Directorate General of Mines Safety (DGMS), Dhanbad, Ministry of Labour & Employment, Govt. of India, New Delhi. The MSAK which was established during the year 1968 by Late Sri S.C. Mohanty of M/s Hutti Gold Mines Company Limited with the support of DGMS, Celebrated Golden Jubilee of its existence during 2018. MSAK is a pioneer association in India, dedicated to Mining Industry in Karnataka to inculcate Safety awareness with zero harm goal. MSAK regularly conducts inter mines competitions and organize workshops seminars, etc., MSAK also produced safety films and published books.

The Association was constituted with the objective to inculcate the Safety Awareness among the Mining Community, build harmonious relationship amongst the members, Mine Management & the regulatory authorities by taking part in health, welfare and other social activities. The Promotion of the Mining & allied professions by organizing Safety Weeks, Trainings, Workshops, Seminars and also to publish of Souvenirs, Safety wall calendars, Safety Hand books, Mining Handbooks with the concession rates to benefit the Mining fraternity.

The Association is dedicated to the service of mining fraternity with great zeal and enthusiasm in strengthening the industry which is the back bone of the nation's economic growth.

MINING ENGINEERS' ASSOCIATION OF INDIA (MEAI)

The Mining Engineer's Association of India (MEAI) was founded in the year 1957 under the dynamic leadership of Mr. N. S. Claire. The Association was registered under the Indian Trade Union Act, 1926 in the year 1965 and under the Societies Act, 1860 in the year 1981. MEAI has 27 Chapters that are geographically located across the length and breadth of the country. The headquarters of the association was shifted to Hyderabad in the year 1995 to enable the members from different parts of the country to have easy access in view of the geographical location of Hyderabad.

To meet the objectives of the association, MEAI conducts periodically National & International Seminars and Symposia, Workshops, MEAI Professional Development Program (MPDP), MEAI Onsite Training Program (MOST), MEAI Tech Series (MTS) etc., besides publishing a monthly magazine "Mining Engineers Journal" and distributes amongst the members (6000) every month at free of cost.

BACKGROUND

Minerals serve as the fundamental raw materials for various industries, making it imperative to embrace cutting-edge technology across all mining operations to ensure safe and sustainable practices. The proposed MSAK National Mining Conclave 2024, scheduled on June 28th and 29th 2024 will be a great platform to discuss the various aspects associated with sustainable Mining to ensure a brighter Future.

Further, National conclave provides a deeper insight about occupational health and safety in mining operations with special reference to Minor Minerals and also the need of implementing state-of-the-art technologies to achieve enhanced efficiency and environmental sustainability in mining. The conclave will also address the challenges and opportunities for sustainable mining practices in the current socio-economic landscape. The Recent advancements in Mineral exploration and strategies responsible for mineral extraction and resource management, the essentiality of the digitalization in the Mining and the importance of the coal & oil Mining will be dealt in detail in these two days conclave.

SUB - THEMES

1. Safety in Mines with special reference to Minor Minerals.
2. Mineral Exploration.
3. Advancement in Mining Technologies.
4. Digitalization in mining.
5. Coal & Oil mining.
6. Mine Environment and Community development.

CALL FOR THE PAPERS:

The papers are invited from experts in Mining and Allied Subjects practitioners, researchers, scientific & educational institutions, the technical papers will be printed in souvenir to be released during the National Seminar.

The authors are requested to send the title and abstract of the papers on or before 20.05.2024 through email to msakar1968@gmail.com.

For more details contact:

Mr. Rakesh MM – 9611505018

Mr. Dhruva Kumara B Y - 97393 15276

STALLS TO EXHIBIT PRODUCTS

The Leading manufacturing companies are invited to exhibit their recent equipment's or technology. ₹ 30,000/- + 18% GST in total ₹ 35,400/- will be charged for one stall (Stall Size- 10x10 ft.)

The allocation of stall is only on First – come – first serve basis as there are limited stalls.

BENGALURU - THE HOST CITY

The National Mining Conclave-2024 will be held in Bengaluru, the capital of Karnataka State, renowned as the IT Capital of India. Bengaluru is situated on the Deccan Plateau in the south-eastern part of Karnataka. Known as the Garden City, Bengaluru has earned the moniker of Pensioner's Paradise as well. It stands as India's third most populous city and remains one of the fastest-growing urban centers in the country. Bengaluru boasts a rich educational landscape, housing esteemed institutions such as the Indian Institute of Science (IISc), IIMB, IIIT-B, among others. The city's healthcare infrastructure is world-class, with numerous top-tier hospitals. Bengaluru is a hub for various industries, including Public sector Heavy industries, IT Companies, Aerospace, Telecommunications, and Defense organizations. Recognized as the Silicon Valley of India, Bengaluru leads the nation's IT exports and is hailed as the Startup Capital of India.

Bengaluru, beyond its economic prowess, is a vibrant metropolis pulsating with cultural diversity and historical richness. The city's cosmopolitan fabric weaves together traditions from across India and the globe, creating a dynamic tapestry of languages, cuisines, and festivals. Its pleasant climate, lush greenery, and numerous parks continue to enchant residents and visitors alike. Bengaluru's thriving arts and music scene, along with its bustling markets and culinary delights, contribute to its charm as a city where modernity and tradition coexist harmoniously.
