About Us

MINING ENGINEERS' ASSOCIATION OF INDIA (MEAI) proudly represents all professionals serving the minerals and mining industry in India.

The Mining Engineers' Association of India brings together all professionals of Mining fraternity to improve the Skills, share knowledge, Latest amendments of Legislation and Technological developments in the Mining Industry for the benefit of the Professionals & Industry by conducting Seminars, Workshops, Training Sessions and Knowledge sharing events.

It was officially registered in 1965 under the Indian Trade Union Act, 1926. Further, it was also registered under the Societies Registration Act, 1860 on 15th April 1981.

Today, MEAI is led by its President, Shri D. B. Sundara Ramam, a renowned personality of the mining industry. With a robust membership base of over 6,500 professionals, the Association functions through 27 active chapters across India.

Established on 13 February 2010, the MEAI Rajasthan Jaipur Chapter is actively functioning and will celebrate its **17th Foundation Day with an International Seminar titled "VISION 2047: Mining and Minerals Perspective"** scheduled for **13 –15 February 2026**.

The SEMINAR

The seminar will feature focused technical presentations across mining, exploration and allied sectors, delivered by global industry leaders and key stakeholders. The seminar will be having dedicated technical sessions on various themes, covering diverse domains, detailed hereinafter, within the mining and allied sectors. **The event promises to be a platform for thought leadership, knowledge exchange and collaborative dialogue towards a more innovative and sustainable future for the mining industry.**

About Jaipur

Jaipur, popularly known as The Pink City of India, is the chief attraction for the visitors to Rajasthan. This city, the Capital of Rajasthan, casts an unusual spell on the travellers with its royal palaces, forts and monuments, revealing historic past of chivalrous warriors, aristocratic royal ladies, art & craft, literature and science.

Moreover handicrafts like miniature paintings, textiles, blue pottery and jewellery make it a shopping paradise.
